

HOME OCCUPATIONAL THERAPY SERVICES

Assessment within the home for active, safe and independent living

Occupational Therapist

Home Occupational Therapy Services is seeking a suitably qualified Occupational Therapist. Located in Applecross, Home Occupational Therapy Services provides community, specialised equipment, rehabilitation and driving services to a variety of clients in the Perth metro area.

Currently we are seeking an Occupational Therapist to provide services in an inpatient/outpatient setting. The therapist will be required to complete assessments, rehabilitation and equipment prescription for elderly clients with multiple medical conditions and varying levels of disability. In this position you will be required to plan/ implement/ evaluate individual and group occupational therapy services according to the needs of the client. You may also be required to supervise occupational therapy assistants and/or occupational therapy students (on occasion).

Applicants should have:

- ✓ An interest in & knowledge of Equipment, Rehabilitation, Community Resources, Discharge Planning, Australian Standards, & Falls Prevention
- ✓ Good Communication & Organisational skills
- ✓ The ability to work unsupervised with ongoing Professional Support & Development
- ✓ Ability to work as an effective member in a multidisciplinary team
- ✓ Applicants should be registered with:
 - WA Board of Occupational Therapy
 - OT AUSTRALIA WA
 - Have current Criminal Record Screening
 - Have current valid Class C licence

The position is flexible with 60-75 hours worked per fortnight. There is the opportunity for fulltime work as desired.

For consideration of the position offered, please forward your C.V. to Home Occupational Therapy Services by Tuesday 7th June 2011.
